## May 2026 Announcement

**Bedfordshire LOC will be holding the Annual and General Meeting (AGM) for 2026 at The Rufus Centre, Steppingley Road, Flitwick, Bedfordshire, MK45 1AH on Wednesday 10<sup>th</sup> June 2026**

**A buffet will be available from 6.00pm.  
The AGM will be held between 6.30 & 7.30pm.  
It will be followed by**

**A talk given by Mr. Simon Browning on**

***An introduction to wide field retinal imaging-an essential tool in modern primary eye health care delivery.  
This carries one CPD point***

*The meeting is expected to close at about 9.00pm.*

As such the committee extends an invitation to all registered Optometrists and Dispensing Opticians, working in Bedfordshire, to attend.

It is an opportunity to meet LOC members and here about the workings of the LOC during the last year and to voice any opinions you may have. It also offers an opportunity to meet and engage with other local colleagues.

You can just attend on the night but it is helpful for us to know those coming. We can then appropriately arrange suitable catering and dietary needs for the buffet and drinks that will be provided for the event.

For those wishing to attend then please forward an e-mail to the address as follows:

[secretary@bedfordshireloc.org](mailto:secretary@bedfordshireloc.org)

Please state your name, where you work and any special dietary requirements.

Also, as individual practitioners, you might take the opportunity to register too, at the above website, for purposes of communication from the LOC during the year.

***The committee looks forward to seeing at the AGM as many as possible local practitioners.***
